Solo Classic takes a page straight outta KICKER legend, and ushers it into the future..."All the bass. Half the space." That's how we billed it nearly 20 years ago when the Solo-Baric Subwoofer ruled the roadways. The concept was breakthrough a subwoofer that actually worked as two woofers in an isobaric enclosure, therefore using a box nearly half the size of those for conventional woofers. Genuine, deep, loud... it was the real deal, without sacrificing storage space.In 200 [\(more...\)](#)

Superiority has always been the guideline behind the award-winning technology of KICKER's square subwoofer family. They've done it for years, but improving on a trendsetting yet affordable product like the Solo-Baric L5 Subwoofer is no easy task. Go on, be square. Click to enlarge.
